To whom it may concern:

It gives me great pleasure to provide a letter of recommendation for Nu-Con Construction Company. Mr. Don Ely, principal, and the entire team of Nu-Con provided excellent service in the construction of our 6 million dollar Spiritual Growth and Development Center. In addition to the quality service provided, I was pleased with the ongoing collaborative relationship Mr. Ely maintained with me throughout the project. He played an integral role in the success of the project.

Should you require any additional information, please do not hesitate to contact my office.

Sincerely,

Reverend Marvin E. Wiley
Pastor/CEO
